Sandwell Safeguarding Children Board (SSCB) is a statutory multi-agency partnership which exists to:

- **Ensure that sound arrangements to protect children are in place in Sandwell;**
- **Challenge and scrutinise the safeguarding arrangements of organisations as necessary;**
- **Achieve these objectives by promoting interagency cooperation and collaboration.**

SSCB will do this by:

- **Forming a view of the quality of local activity in safeguarding (including early help).**
- **Speaking with an independent voice.**
